BEFORE THE LAST PLANE TAKES OFF, WE WANT YOU ON BOARD.

JOIN THE RESTORATION ADVISORY BOARD.

If you're concerned about our environment, NAS Cecil Field has a mission for you: a seat on our Restoration Advisory Board (RAB). Cecil Field is closing and RAB membership is your opportunity to input community concerns into the air station's environmental cleanup process. Prior environmental experience is not needed and education level is not a criteria. We need your help. So, hop on board.

Call Bert Byers at our Public Affairs Office at 778-6055 for an application or to receive more information.
