

Ilio, our explosives safety expert says,  
Remember the 3Rs:

Recognize  
 Retreat  
 Report

Follow Ilio as he shows you what to  
do if you find ammo.

**To parents and teachers:**

This coloring book was developed to promote safety awareness to children who may find remnants of military munitions (ammo) while playing or exploring. Discuss with your children any areas where the military may have used munitions or installations on which the military currently trains. You are encouraged to teach your children the 3Rs (Recognize, Retreat, Report) safety message.

**Recognize** ○ Realize when you may  
○ have found ammo

**Retreat** ○ Do not touch, move, or disturb  
○ ammo--carefully leave the area,  
but do not run

**Report** ○ Tell a parent or other adult  
○ to call 911
