**NOTES:**

- Candidate installations, contracting agency/contract mechanism and/or projected release date may change as this information is only a projection.
- Installation Action Plans (IAPs) may be accessed from "Links" on the Cleanup Webpage (<http://aec.army.mil/usaec/cleanup/links.html>).
- Information contained in the IAPs does not necessarily reflect requirements that will be solicited in the final Performance Work Statement (PWS).
- Refer to the [PBA Guidebook](#) for a general understanding of the PBA process; however, there are areas of the process undergoing transformation.
- Candidate evaluations are no longer being completed.
