

2005 Earth Day Celebration at U.S. Army Garrison, Combat Support Training Center, Fort Hunter Liggett, CA

To celebrate Earth Day, Ft. Hunter Liggett held their annual Earth Day fishing derby on Saturday, April 23 at Del Venturi Pond.

Over 100 children and their parents attended the fun filled day of fishing, raffles, and education about the environment.

The fishing derby taught children about the joys of casting fishing poles, and reeling in “big ‘uns”.

For lunch, Scott “Oly” Olsen barbequed his famous custom-made sausage links to the delight of all the guests.

All guests received some Earth Day goodies to take home along with their fish.
