

Tobyhanna Army Depot, PA Earth Day 2005

This year Tobyhanna Army Depot joined with Monroe County, PA and other county industries, businesses, and offices for a "Clean Your Files Week" campaign in commemoration of Earth Day. During the week of April 18-22, 2005 everyone was asked to go through their files and recycle the white paper from old files that are no longer needed or required.

During that week depot employees also kicked off their 13th year with the Pennsylvania Department of Transportation's Adopt-A-Highway Program. Depot employees volunteer to cleanup two interstate entrance/exit ramps and 2.5 miles of state route leading to and adjacent to the depot. Litter pickups occur four times each year (April, June, August, October).
