

## U.S. Army Garrison Japan – Torii Station

Earth Day on 25 April, 2008. The day's activities were sponsored by the Public Works Environmental Division and were open to all garrison, mission and tenant personnel. The celebration was in conjunction with Greenery Day, a Japanese Holiday dedicated to nature.

The day was spent cleaning and removing debris and trash from Naha Port and 14<sup>th</sup> Century Castle Ruins located on the installation.
