UXO Safety Education

Hi, I'm Sergeant Woof, the military's ammo safety expert. I'm here to tell you about the 3Rs of ammo safety.

RECOGNIZE – Realize when you may have found ammo. If you see anything that looks strange on the ground be sure to stay away.

RETREAT – Do not touch or disturb it. Carefully leave the area the way you came, but do not run.

REPORT – Tell a parent or adult to call 911.

Learn and follow the 3Rs to protect yourself, your family and your friends from dangerous ammo.

Remember, if you did not drop it, do not pick it up!
