Subject: RE: June RAB Meeting

Hello Restoration Advisory Board (RAB) members and alternates.

Thanks to those who have been serving for many years. We appreciate your contributions and continued interest in the Badger AAP cleanup. Welcome to those who are joining us for the first time. We look forward to working with you.

About a year ago the Army collected information on our communications with your communities. We received a lot of very useful input and have been working to address all the issues and concerns brought to our attention. We encourage you to continue providing us feedback on what is going well and where we can improve.

As you may know, at this meeting the Army hopes to work with all the RAB members to develop a path forward for the RAB.

We will provide copies of the RAB Rule and Handbook, and existing RAB Bylaws for discussion at the meeting, but at the request of one of the RAB members, we are including it here, so you may review prior to the meeting, if you choose.

I have attached a copy of the 2001 ByLaws for the Badger RAB. I have been experiencing problems with my email so if you do not receive the attachment, please let me know.

The RAB Rule can be found at:

<https://www.govinfo.gov/app/details/CFR-2016-title32-vol2/CFR-2016-title32-vol2-part202>

The Department of Defense established a RAB Rule Handbook, which can be found at:

I hope this information is helpful. Let me know if you have other questions or concerns.
