Dear Neighbor,

The Army is hosting a public meeting on:

Wednesday May 16, 2018 at 6 p.m. at the Sauk City Public Library, 515 Water Street, Sauk City, WI 53583

The purpose of the meeting is to follow up on a commitment made at a public meeting of the Restoration Advisory Board (RAB) in November 2017 to hold a meeting to obtain public input on what information may be presented at future RAB meetings. Therefore, during this meeting we will provide a general update on cleanup projects and solicit input for topics on future RAB meetings.

The Army wishes to identify ways to make dialogue more useful to the community, the RAB and the Army. In addition, this meeting and discussion will set the stage for a useful and productive meeting this summer when we expect the most recent investigation studies and results to be available.

We hope you will be able to attend and share suggestions and recommendations to enhance future dialogue regarding the Badger cleanup.

If you are unable to attend this meeting, the Army will be happy to receive your input by mail or email, by contacting the Army Environmental Command at: Army Environmental Command, ATTN: Cathy Kropp, 2450 Connell Road, Bldg 2264, Rm 107, Fort Sam Houston, TX 78234-7664, or Cathryn.L.Kropp.civ@mail.mil < Caution-<mailto:Cathryn.L.Kropp.civ@mail.mil> > .

You may also contact Army Environmental Command with any questions by calling Cathy Kropp at 210-466-1590. We look forward to hearing your feedback on May 16 or through correspondence with the Army.

Don't forget to check the website for information from the last meeting:
