

Dear Neighbors,

The Army is planning to hold its next Restoration Advisory Board (RAB) meeting virtually on October 7th at 6 pm. In order to protect the health of the community during the COVID-19 response this RAB is being conducted virtually to maintain social distancing. The meeting will be held using MS Teams. You may also dial in if you do not have access to the Internet. Slides will be shared through MS Teams. You do not have to download any software to use MS Teams, you can just choose to use the browser.

The purpose of the meeting is to update the RAB on the Army's ongoing cleanup efforts at the former Badger Army Ammunition Plant (BAAP). The primary discussion will focus on the results from the initial Site Inspection at Settling Pond 2 and the next steps for that inspection. The Wisconsin Department of Health Services will also discuss previous risk assessments regarding DNT in soils and biota at BAAP.

The meeting is open to the public and the link and dial in information is below.

Dial In: 410-801-9814    Conference Code: 982 511 529#

Please make sure your microphone is muted and your video is off, unless you are speaking. The meeting will be recorded. By speaking at the meeting you give consent to be recorded.

Thank you for your interest in the former BAAP cleanup program.

Sincerely,  
Badger Cleanup Team
